

Privacy Policy

This Privacy Policy applies to all personal information collected by ISA (Victoria) Pty Ltd (ACN 087 438 819) (“We”, “Us”) due to the customers and clients accessing and using our Safe Student App (“App”) and our websites.

How to contact us about privacy

Your privacy is very important to us. For that reason, please read the following details carefully and get in contact with us if you have any questions. You can contact us on:

info@studnetguardians.com

Australian legislation

We comply with the *Privacy Act* (1988), The 13 Australian Privacy Principles and the *Spam Act* (2003). Your information will not be held outside Australia.

Not collected information

We do not collect any personal information about: racial or ethnic origins, political opinions or memberships, religious beliefs or sexual preferences, union membership or health or genetic information.

Collection and Purpose

We may collect personal information from you in the course of your usage of our App or our websites if you input any personal information into our websites or our App. In addition, we also collect cookies from your device, which enables us to tell when you use our websites or the App and also to help customise your website and the App experience.

The purpose for which we collect personal information is to provide you with the best service experience possible on our websites and the App. Some provision of personal information is optional. However, if you do not provide us with certain types of personal information, you may be unable to enjoy the full functionality of the App or the websites.

Disclosure

We customarily disclose personal information only to our service providers who assist us in operating the websites and the App. We will only disclose personal information to an unrelated third party with your consent.

Access and correction

The Australian Privacy Principles under the Australian *Privacy Act* 1998 (Cth) allow you to get access to, and correct, the personal information we hold about you in certain circumstances. If you would like to obtain such access, please contact us on the details set out above.

Security

We have processes in place to ensure the security of your personal information, including encryption of all data when it is transferred to our service providers and limitations on access to personal information within our organisation.

Changes to this policy

We may change these policies at any time, with immediate effect upon the changes being published on our websites.
